Acknowledgement

First and foremost, I always felt that I am in debt to the most merciful and gracious “GOD”.

Second; all words fail to express my sincere gratitude and deepest respect to Professor Dr Samia Rezk ,Professor of Clinical Pathology, Faculty of Medicine, Cairo University, for her keen supervision and continuous advice and because without her this work could have never seen light.

Also I would like to express my utmost gratitude and special thanks to Professor Dr Omar el Serafi Professor of Neurology Faculty of Medicine Cairo University; whose kind supervision and constant purposeful encouragement provided me all facilities during the conduction of this work.

I would never forget the sincere continuous help, true advice, and invaluable guidance of Professor Dr Shahira El Shafie, Professor of Clinical Pathology, Faculty of Medicine, Fayoum University. More to say I feel so grateful to Professor Dr.Manal Niazi of Clinical Pathology, Faculty of Medicine, Fayoum University.

Also I feel indebted to Professor Dr Somaya El Gawhary Professor of Clinical Pathology, Faculty of Medicine ,Fayoum University for her help, guidance and advice.
