I-Read the following letter and then choose the correct answers: (4 marks)

Dear Sir,

I have just returned from a two-week cruise in the Red Sea aboard the luxury liner Nefertiti, organized by your cruise line. Although I was looking forward to such cruise, I had to return back a day before the end of my cruise because of my uncle's sudden death.

I was really happy to begin my long-awaited cruise, but I am afraid that I was disappointed with every part of such cruise. The brochure described the cruise as "a two-week cruise of luxury and enjoyment sailing towards the paradise on the earth". Alas, the truth was completely different.

The cabin where I stayed could not be described as luxurious by all the means. It was small, almost dark and dirty. The services offered were terrible. Moreover, your staff members were not qualified enough to serve their guests.

The words "behind your dreams" in your brochure could not be applied to the time I was robbed out of the cruise. So, I greatly expect your cruise liner to repay the money I spent on it.

Yours faithfully,
Lily El-Hariri
