I. Read then following comprehension passage, then answer the following question

Most people plan their vacations very carefully. They think a lot about plane tickets, passports, and hotel reservations. But they often forget about one important thing_ the weather. You should learn about the right time to visit your vacation spot. Here is some information to help you plan your next vacation.

Italy: the weather is sunny all year, but it is sometimes cold in winter. April and May are warm and beautiful. From June to September, it is very hot.

Australia: summer here is from December to April. It sometimes rains, but the weather is usually very good. In winter, it snows a little in some place, but most of Australia is not very cold.

Hong Kong: the weather is hot and humid here a lot of the year. In July and August, it sometimes very windy, and sometimes there are bad storms. October and November are warm and not so humid.

Germany: from November to April, the weather is cold, cloudy and snowy. In spring, it is warm but there is a lot of rain. July and August are usually warm and sunny.

India: You should not travel to India from June to September. There is a lot of rain everywhere. From November to April, after the rainy season, the weather is nice and cool. In April and May, it often gets very hot.
