<p>English Abstract</p> <p>The Two false doors forming the subject of this article are stored in the Magazine of Giza archaeological area under numbers 557 and 556 respectively. The First of belongs to Intj and the second is of #wj . t . The false door of Intj bears the new title jmy-r sr. n Hw. t wr. t. From some iconographical, paleographical and orthographical features, these two false doors could be dated back to the end of the Old Kingdom (VIII Dyn.).</p>
