Some Remarks on The Religious Concept Of loosing Fetters In
‘The Coffin Texts

Abstract:

This paper is focusing on the multifaceted concepts of releasing fetters through the different spells of the Coffin Texts. According to ancient Egyptian belief, the religious and the magical spells intended to help the dead person to begin a new life without fetters and ties. These mortuary texts are directly connected with the Egyptian creation myths and the separation of the sky from the earth by Shu. Also the justified deceased who has been loosen his fetters will be given a new life, accompaniment the sun boat in the solar cycle and a great amount of offerings with Theben and Hermopolitan Enneads.
