

Rebels Coins of the Ghurid Dynasty as an example of Sultan Taj al-Din Yildiz al-Mu'izzi (602 AH / 1206 AD - 611 AH / 1214 AD)

Abstract:

Islamic coins is an important source of history, antiquities, and Islamic civilization, as it reveals all the historical and geographical features of all ruling nations. In the events of history, therefore, money is a witness to the history of Islamic nations being an official document whose value is not easy to challenge, and money has received special attention in the Islamic state, and Islamic law has taken care of it in the field of worship and transactions, because money is linked to zakat, contracts, endowments, blood money, etc., and it also played an important role As the governmental media organ, due to its speed in circulation and wide dissemination.
