# Abstract

## **Jewish groups in the reign of King "Xerxes I" (Historical Study in the Book of Esther)**

Cyrus was the real founder of the Achaemenid Persian Empire protector of Jewish groups in his time; and the Jews wherever they help to the governors of the Persians Against the people of the country.

Respect successors Cyrus founder of the Achaemenid Empire policy, when he took "Xerxes I" the throne of the Achaemenid Empire, the Jews suffered from trap, almost being thrown into perdition, Haman Ebn Hammedatha Agagite this trap, He was Prime the princes in the Persian Empire at that time. This story came in the Book of Esther.

But the researcher believes that the story of "Esther" Judaism with the Persian king "Xerxes I" wasn't remembered, except in the Old Testament in the book that carries heroine name "Esther", the entire story of Esther is only a myth was invented by Jewish groups in Babylon, and there is no historical evidence of its reality; the Book of Esther is not historically, but It's made to interpret the fairy tale of them Purim holiday.

The writer of the Book of Esther wanted to show that his groups are oppressed, and tortured, and that they are exposed, always and never, in danger and injustice of all peoples of the world, and thus he paves and finds a justification of human barbarism that It will be conducted by Jews in the right of the peoples of the region for the massacres, these false allegations, find justification for raping the lands from others, and extermination of their people, the writer of the Book of Esther wanted to show the Jewish pogroms in self-defense!

Regardless of the veracity of this story, and its heroes reality, But it's as an example to the Jews in the exploitation of women to reach positions of power and decision-makers.
