

## **Listening According to Al-Qushayri**

Listening according to Al-Qushayri is considered one of the most important topics that have received a lot of attention. The importance of listening lies in the ramification of relevant topics such as its concept, divisions, rules, and types, characteristics and conditions of listeners. Its importance is also evident in the effect it has on the apparent and hidden aspects of the disciple. An analytical comparative method was used in this research.
