

Finite Element Modeling
of
Multi-Exponential Diffusion phenomena in MRI

by

Eng. Ahmed Abdel-Latif Mohammed Abdel-Latif
B.Sc of Electronic and Communication Engineering

A Thesis Submitted to the
Faculty of Engineering at Cairo University
In Partial Fulfillment of the
Requirements for the Degree of
MASTER OF SCIENCE
In
Engineering Physics

FACULTY OF ENGINEERING, CAIRO UNIVERSITY
GIZA, EGYPT
March 2006

Finite Element Modeling

Multi-Exponential Diffusion phenomena in MRI
by
Eng. Ahmed Abdel-Latif Mohammed Abdel-Latif

A Thesis Submitted to the
Faculty of Engineering at Cairo University
In Partial Fulfillment of the
Requirements for the Degree of
MASTER OF SCIENCE
In
Engineering Physics

Under The Supervision of

Prof. Dr.
Medhat Abdel-Monaam Elmessery
.....
Department of Mathematics and Physics,
Faculty of Engineering, Cairo University

Prof. Dr.
Mustafa Mohsen Radwan
.....
Department of Mathematics and Physics,
Faculty of Engineering, Fayoum University

A.Prof. Ibrahim Mohammad Elshafiee
.....
Department of Electrical Engineering
Faculty of Engineering, Fayoum University

FACULTY OF ENGINEERING, CAIRO UNIVERSITY
GIZA, EGYPT
