

AWARD OF EXCELLENCE

Presented to

Deyhoum Abd El Hamid Mansour El Bassel

For believing that those who educate with passion are
destined to change the world, and for developing
Performance Standards for
pre-service teachers.

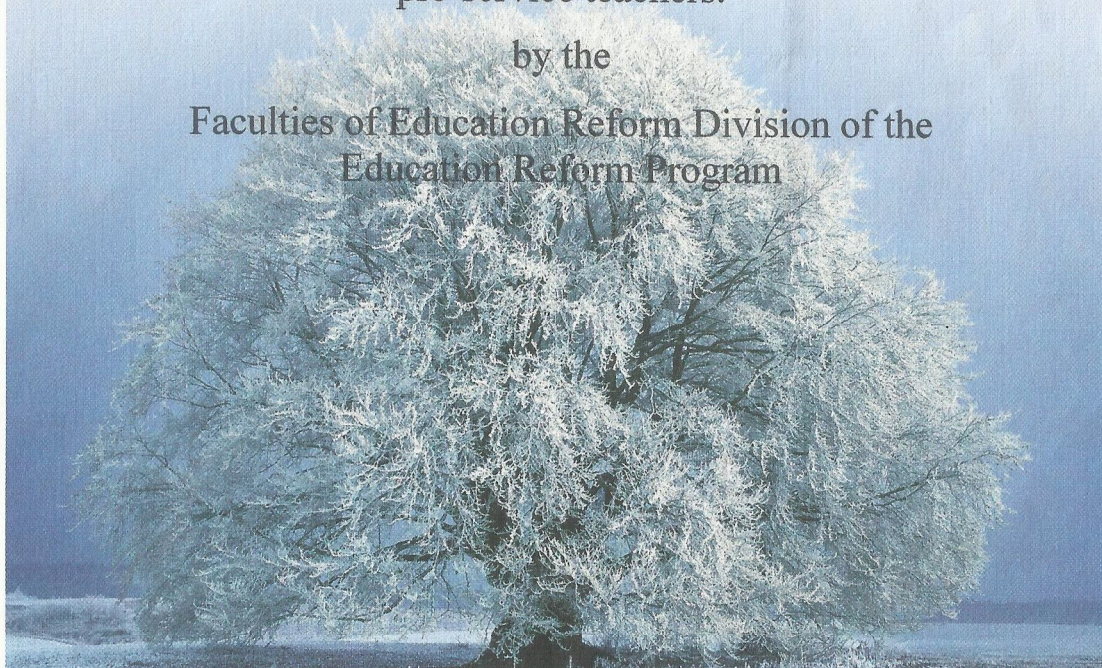

by the

Faculties of Education Reform Division of the
Education Reform Program

M. B. Gubay

November 22, 2005

*Snowflakes are one of
nature's most fragile
things, but just look
at what they can do
when they stick together.*
