This research deals with the "linkage in the Arabic text between the ancients and the modern stories of Surah Hud model" as the link is the one that leads to the composition of the text; it must be linked to the vocabulary until the sentence is composed, and the sentence in the text to be linked to the preceding and subsequent sentences of linguistic link verbally "The phrase in the text is of partial significance, and it is not possible to determine precisely the real significance of each sentence within the so-called faculty of text except by taking into account the previous and subsequent connotations in that sequence (the whole sequence) ; The text, however small, is seen as a whole and interconnected "

Yet acne t exported ties of the adherence only for textual; So the textual adherence " he is important thing in the ratio for the textual analysis, and from then antagonizes him some researchers necessary conditions and enough for the acquaintance on what he dictated, and on what not text “, and from here importance of the ties in the ratio for the text appears literary; Therefore study of this phenomenon wanted and suspensive statement old and causing from her, just as application of that study on text wanted appears in him that phenomenon is waaDH evident; Therefore daughter-in-law in need to choice of text disciplined me from aspect, and holy on the other hand, and eloquent from aspect third, followed text creates

Abounds in him that characteristics to the generous Quran; Therefore performed the Quranic searching on the text generous raved who ( does not come him invalid among hands his followed from behind him wise

reduction of blessing commendable ) . " The generous Quran to his adherence tightened the word counted as the one, in spite of the fact that all violence from wall the Quran is appropriating self of personality and self features of distinguished, and special self of method, and designating self of way, and self of domain specialized in cure the subject raved the one " , and application chose the Quranic subject on the cuts in violence " Houd " raved for that the textual connection and the adherence appears waaDH became clear; That the one subject reviewed to " who treats him the violence, so many from the wall aalmkylt different cuts from cuts of the prophets speak about, with the flag in to for each represents me cut with straightens him, and leads thinks aalDHaannu that this cuts other than tenacious while between her, hit him the end be new in that he accumulates her general frame, he that this cuts is example and messenger of Allah – have fun for peace be upon him, and metabolisms to main subject the violence serves, and this he the mosque for this cuts, and he to suspects flirtations connected, and the pertaining circumstances for each cut be possible her unification in the invitation and the denial and the harming and revenge of Allah from aalmkdhbyn " .

Situation expanded for old and causing from the ties textual, with the flag that old that phenomenon in independent – author with their do not study care in her – w'inmaa took her through the grammatical doors different, and through during the books which letters studied helped, and leads son of Hisham was more than chapter modern in the ties; Where studied him in his " places from book singer aallbyb " speaking in the place the first about ( ties sentence in what she is news about him ) and male in him ten from this ties, and speaking in the place second about ( the things which needs to connected ) and male that she sharp ten place, as for causing losing 'afrdwaa to the phenomenon hits independent researches; So

indeed towards the text summary around the textual connection in his revolves in his sections : The pronunciations or the linguistic ( forming ) , and moral or the understandable ( knitting ) , and from this studies : The grammatical connection in the honorable interview through the Muslim increased while tfq on him steamy and Muslim, weak letter of doctorate in complete house of the flags / is comprehensive aalfywm for research Mohammed Abdaaltwaab key, and the conditional ties in the generous Quran is grammatical study semantic, weak letter of master's degree in complete house of the flags / is comprehensive aalfywm for research Ahmed Kamal Mohammed, and spouse of the ties in sharpened feminine : aalmjtbY in light of the theories grammatical Haditha, weak letter of doctorate in complete house of the flags / is comprehensive aalfywm for research Mohammed Ibrahim is good Othman, and the Arabic ties in the sentence to equates zGyr, and regime of the connection and the ties in assembly the Arabic sentence for Mustafa is commendable, and other than from studios .
