## ***BLS/ ALS Workshop***

BLS/ ALS is an extremely important topic for healthcare providers. For doctors especially anesthetists and intensivists, it represents one of the daily activities. In this workshop we targeted the recently graduated doctors and junior staff. The workshop will contain both theoretical knowledge and hands-on with recent updates. All attendees will be certified after completion of the training program. I hope this will add to your knowledge and skills.

***Prof. Mohammed Ahmed Hamed***

***Chairman of Anesthesia, SICU and Pain Management Department***

### ***Workshop program***

<b>Hands-on BLS/ALS</b>	<b>Dr. Aliaa Abdelsattar Dr. Mohammed Abdelalim Dr. Mohammed Abdelmonem</b>	<b>9:30- 12:00</b>
