

## UNIVERSITY OF PORT HARCOURT, NIGERIA

### INSTITUTE OF NATURAL RESOURCES, ENVIRONMENT AND SUSTAINABLE DEVELOPMENT (INRES)

Session 2014/2015 Admission into MSc degree in Natural Resources and Environmental Management (*Special Programme in Partnership with University of Gothenburg, Sweden*)

#### SPONSORSHIP OF EIGHT CITIZENS OF AFRICAN COUNTRIES

The Directorate of Technical Cooperation in Africa (DTCA) of the Nigeria Ministry of Foreign Affairs through the Nigerian Technical Cooperation Fund (NTCF) and managed by the African Development Bank (AFDB) has provided funding to INRES to offer full sponsorship to eight citizens of African countries for the MSc degree in Natural Resources and Environmental Management beginning in November 2014. The program is full-time and the duration is 24 calendar months duration.

#### METHOD OF APPLICATION

Recent graduates with First Class or Second Class Upper undergraduate degrees in relevant disciplines (science, social science, engineering or health sciences) who are interested should complete the attached application forms and submit with supporting documents to Professor Enuvie Akpokodje through his e-mail: [enuvie.akpokodje@uniportharcourt.edu.ng](mailto:enuvie.akpokodje@uniportharcourt.edu.ng)

#### INRES

The Institute of Natural Resources, Environment and Sustainable Development (INRES) is a multidisciplinary Centre of Excellence established in 2011 with a grant by the MacArthur Foundation to produce competent indigenous manpower in natural resources and environmental management. The MSc programme of the Institute is run in partnership with the University of Gothenburg, Sweden, three Universities and two Research Centres in Nigeria.

#### OBJECTIVE

The objective of the MSc programme is to produce competent graduates with interdisciplinary/multidisciplinary training in natural resources and environmental management. The emphasis is to develop critical knowledge and skills of graduates in order to enhance their employability and professional performance.

#### CAREER OPPORTUNITIES

Career opportunities exist for graduates of the programme in environment and natural resources related Ministries, Agencies and Departments in the public and private sectors.

#### APPLICATION DEADLINE

The deadline for the receipt of completed Application form is August 31, 2014. Notices of Acceptance will be mailed to successful applicants by September 15, 2014.

Enuvie G. Akpokodje  
Professor of Engineering & Environmental Geology &  
Director, INRES
